

The following community organisations have registered with us and are eligible to be nominated when opening a Community Reward Account as the recipient organisation. Registered organisations are eligible to become beneficiaries of a 'community bonus payment' an annual donation made by us each year based on the balances of their supporter's accounts.

If your favourite community organisation, or a group you are involved with, is not on our list and you would like to support them, encourage them to speak to us about registering as a recipient organisation.

If you choose not to nominate an organisation from the proceeding list, we will link your account to the default recipient organisation. The default recipient organisation is:

Beyond Bank Australia Foundation Ltd

The Beyond Bank Australia Foundation Ltd provides grants to local non-profit organisations in the areas of health and safety, financial literacy, and environmental sustainability.

Not sure who to support? Why not select one of our newly registered Community Reward Account Recipient Organisations:
